TO BUILD TEXTILE MILL
AT BOTOSANI; OTHER CONSTRUCTION

OPENS NEW CONSTRUCTION BASE -- Scanteia, No 1412, 28 Apr 49

A unit of the "Sovconstructia" Company recently arrived at Botosani to set up a base from which to do construction work in Botosani, Dorohoi, and Baia Judet.

This company's main project is the construction of the "Moldova" Textile Mill in Botosani. At present, 20 carloads of iron for making reinforced concrete, 37 carloads of cement, 90 cubic meters of lumber, and 500 meters of rails for construction railway along with the necessary cars have arrived at the construction camp. Work has been started on the construction of the living quarters, mess halls, and baths for the 600 workers who are assigned to this base. Next week work will start on the foundations of the textile mill, which will require moving 25,000 cubic meters of earth. Twenty-five mechanized looms for the mill have already arrived and another 142 are due shortly.

Other projects include the remodeling of the public baths in Falticeni, construction of buildings for the machine-tractor station at Baia, repair of schools in Baia Juist, and the building of a dispensary in Ibanesti, Dorohoi Judet.

FIVE EXTRA FREIGHT CARS BUILT -- Scanteia, No 1416, 4 May 49

In honor of 1 May, workers in the "Flamura Rosie" Works in Arad pledged to construct more railroad cars than their production quota. Five large freight cars were constructed 4 days ahead of the target date.
